

# **EAPA Award for Distinguished Scientific or Professional Contributions to Psychological Assessment**

Invitation for proposals for the EAPA Award for Distinguished Scientific or Professional Contributions to Psychological Assessment

**Dear EAPA members,**

It is our great pleasure to invite you to send your proposals for the EAPA Award for Distinguished Scientific or Professional Contributions to Psychological Assessment. The Award originated in 1994. It is endowed with 2000 Euros and can every two years be bestowed on a European psychologist who has excelled in contributing to psychological assessment as a science or as a profession in the last 5 years. Peer nominations are invited and have to include, apart from a short statement of reasons, a curriculum vitae and the list of most significant publications of the nominee.

Applications should be sent, via e-mail, to Fons van de Vijver at [fons.vandevijver@uvt.nl](mailto:fons.vandevijver@uvt.nl). The deadline for submission of nominations is **May 15th, 2015**.

The EAPA Award Committee, consisting of three members of EAPA, appointed by the Executive Committee, will decide on the award winners. The Award Committee will comprise Antonio Godoy, Karl Schweizer and Sandra Sebre.

Best regards,

Fons van de Vijver
